New Year's Eve Party Hats

Don't forget, New Year's Eve is very festive! Add glitter and sparkles to your hat for your New Year's celebration!

Instructions: Ask a grown up for help printing this page and cutting out the hat below. Make sure you cut the line on the hat to make a slit. Wrap the paper in a cone shape and put the tab through the slit to hold the hat in the right shape. You can also add a piece of tape or a staple where the two ends meet to hold the hat together. Glue a piece of ribbon to either side of the hat, or punch holes on the circles below and tie a piece of string to either side. Fit the hat by tying the strings together underneath your chin.
